Sheryl,
Just like you said in
my book I we always
say the same stuff
year after year. But
that's only because it's
the truth! You're a
really sweet girl and
the nicest cousin a
person could ever have.
Good Luck & God Bless

Sheryl,
Do a sweet kid
who's got a great per-
sonality. If you stay
the way you are you'll
be sure and go far in
life. I never know
what to sign in these
things because it seems
everybody already says
what I wanted to say.
Anyway, good luck in
everything you do and
stay sweet. Bj

 To a really nice
 girl who really has
 some funny stories
 about the 'old folks
 home'. You really a sweet
 girl and you have a great
 personality. Maybe some day
 when you are a famous opera
 star you'll read this, and with
 tears filling your eyes, emotion
 choking your voice, say "who in
 the hell wrote that?" Laura

Sheryl,
 To a really as
 sweet kid. Stay Don't say
 Kind as ya are. Don't say

 And you really go far. Have
 lots of fun with that 'special

DEDICATION

Mr. Raymond A. LaPorte

This yearbook is dedicated to the memory of Mr. Ray LaPorte, who served with outstanding dedication and leadership, as a member and as president of the Pinconning Area Board of Education from June, 1967, to his death in the fall of 1971. In all his relationships, private and public, an outstanding quality for which he will be remembered was his unswerving honesty. He was a man of exceptional moral integrity. His appreciation for education was shown by his service to the Pinconning school district and by his own determination to educate himself and his family.

"The school is a community and the rules and regulations of a school are the laws of that community. All those enjoying the rights of citizenship in the school community must also accept the responsibilities of citizenship. A basic responsibility of those who enjoy the rights of citizenship is to respect the laws of the community."

"... I would like to suggest to you two steps as you go through life.

1. Pinpoint your goal. The first thing you must do when you pinpoint your goal is to make sure that you are headed in the right direction. What is your goal? This is really a time of choosing the goal that will determine the rest of your life. The wrong choice can mean frustration, bitterness, defeat. The right choice will mean fulfillment, happiness, success.

2. Have faith in yourself. Regardless of what your preference in life is, you must have faith in yourself. Don't quickly surrender your dream. Don't underrate yourself. You must have the will to succeed in whatever your endeavors are. All you have to offer others and yourself is your best efforts; as you can offer no more and we can expect no more."

THE EGG AND I

H o l i d a y F u n

So that's how it's put together!

The senior class helped get the Holiday Season off to a good start by presenting "HOLIDAY FUN" on December 18, 1971. While the soft snow fell outside, couples and chaperones danced in formal splendor in a gaily decorated gym.

Glowing Christmas trees and an authentic sleigh added to the wintry holiday atmosphere.

YOUTH FOR UNDERSTANDING

Aurea spent six months attending Pinny High, while she lived with the Frank Wojda family of Linwood. She is the daughter of Carlos and Aurea Ramos of Brasilia, Brazil.

Representing the Pinconning Area Schools in the Youth for Understanding program, Renee Hovinen, the daughter of Reino and Ruth Huovinen of Pinconning, spent the summer months of 1971 living in the city of Huissi, Finland. For an approximate two-month period, Renee lived with the Hanna Viittala family. Their daughter, Riitta, returned to Pinconning as an exchange student also, and lived with the Huovinens during the 1971-72 school year. The program is designed to build greater appreciation and knowledge for the student of people in other countries. This teenage exchange program, with the cooperation of the Dept. of State, emphasizes family life, enabling the student to broaden his understanding of the people with whom he lives, their history and cultural background.

CLASS OF '72

PREPARE YOURSELS FOR THE

DOWN MEMORY LANE

The Class of '72 was a class of "change." The traditions handed down from other classes were overlooked, and the class set out on its own to attain new goals from which new traditions could be made. Let's reflect on the history of this senior class.

As freshmen, the class sponsor was Mrs. Halloran, who after leaving early, was replaced by Mr. Alley, who followed the class through its junior year. The president was Mark Bandyk. The class worked hard for homecoming, making a float that finished fourth - although it was one of their better efforts. Another big event was won by a freshman that year: Pat Ellery won a tight race pushing a roll of toilet paper to win that event.

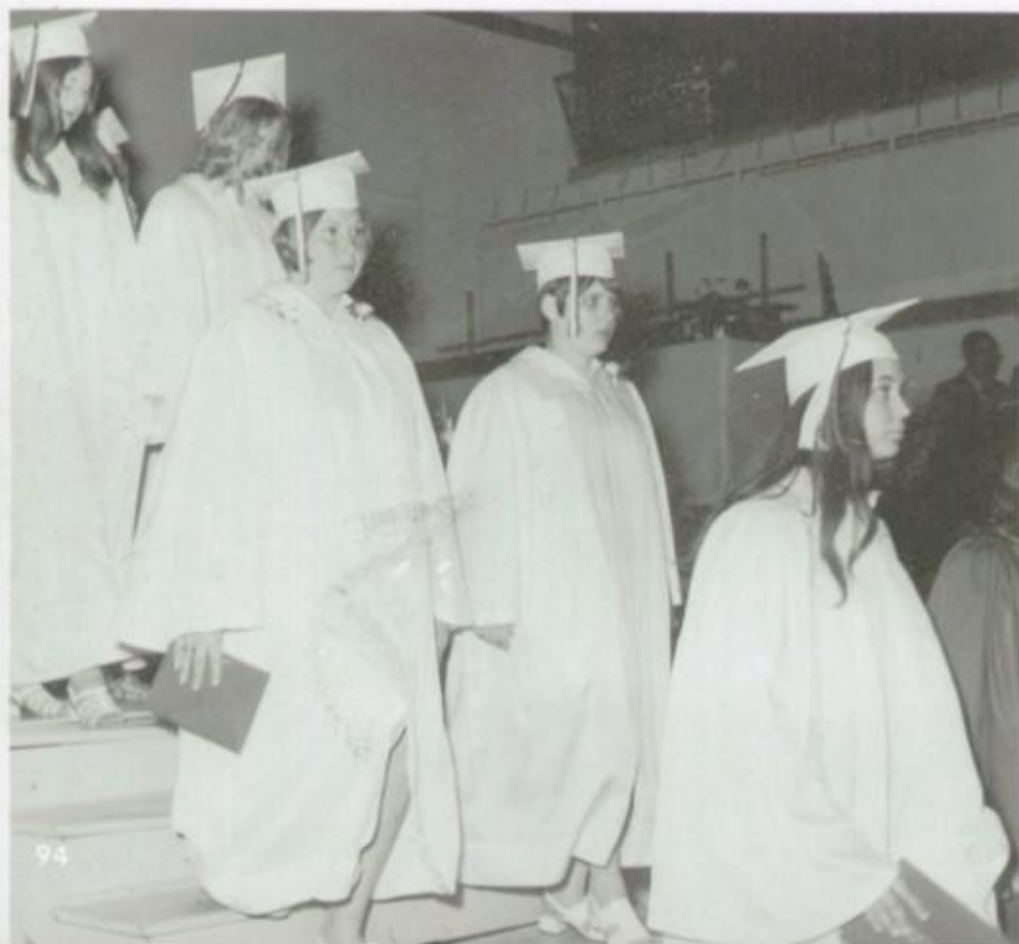

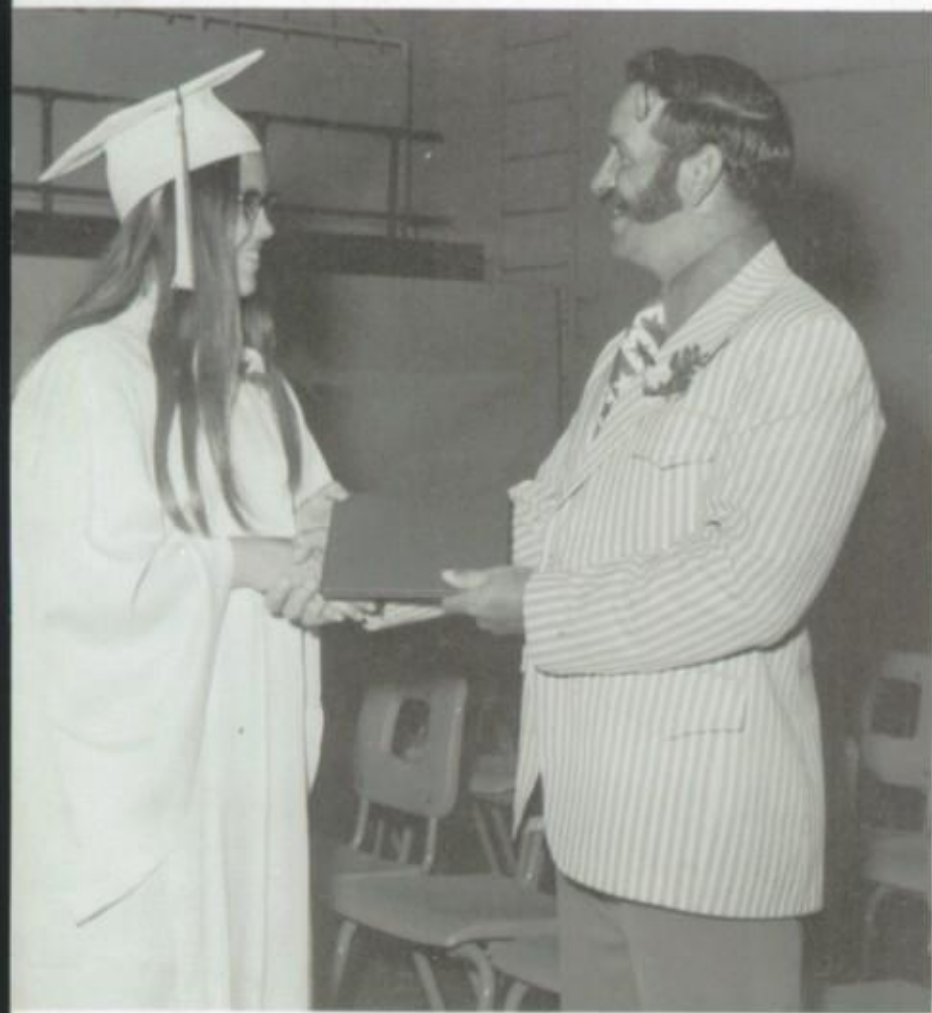

Mr. Alley was still directing the sophomore class but had a new headman as Roger Schultz stepped in as president. The class this year showed a lot of spirit and won the pep jug repeatedly. Their float moved up to third place in '70. It was the first class to get its rings as sophomores.

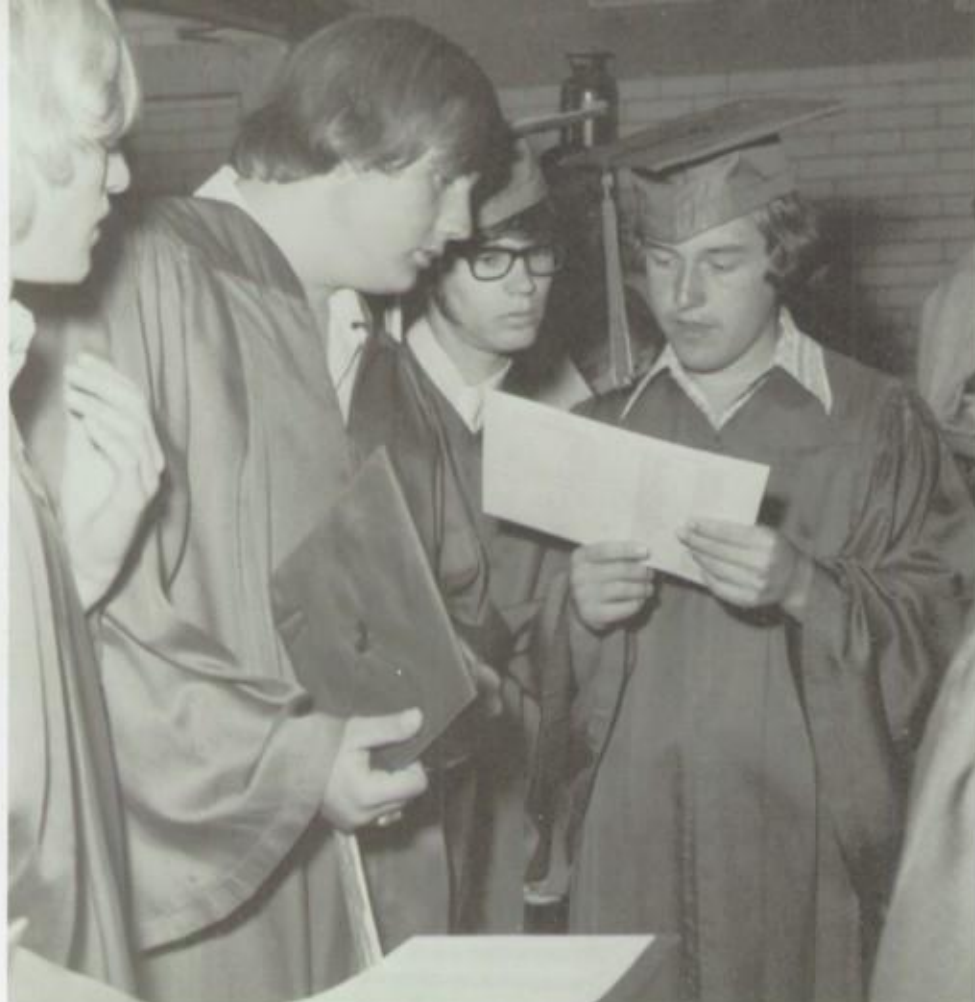

As juniors, the leading men were still Mr. Alley and Roger Schultz. Their float contribution for Homecoming received second-place honors. It was a year full of activities as they put on a class play, FINDER'S CREEPERS, along with the prom, TREASURE ISLAND.

Then in '72, as seniors, Mr. Stalker became the class sponsor, and Rich Meyette was the newly-elected President. The float slipped a notch to third place in tough competition. The senior sno-swirl, SNOW-FLAKE FANTASY, was a highlight of this graduating class. As graduation rolled around, the class decided its graduation would be one they wouldn't forget. Red, white, and blue were selected as class colors with the Peace Rose as the flower. Then, as a clincher, they discarded the traditional song, Pomp and Circumstance, and adopted such patriotic songs as America the Beautiful, Battle Hymn of the Republic, Stars and Stripes Forever, God Bless America, and the National Anthem replaced the pledge. The class showed acute awareness to the problems of our world, it felt, with the selection of this graduation program.

Progress is shown by change, and this year's seniors are already making progress. They have started their move to bring together a world torn by bitterness and hard feeling. Even if it is only a small step, still it is a step in the right direction. The class is "Preparing For Today Before It's Tomorrow."

"Some Men See Things As They Are and Say Why. I Dream of Things That Never Were and Say Why Not."

We all recognize these famous words of the late Robert F. Kennedy. I think they speak well of the future for us as seniors. We have been preparing for the future and thinking ahead for it. This is what graduation is all about, isn't it?

We are here for the future. What leaves this building is knowledge and the minds of those who can use that knowledge and apply it to the future. What we have learned in school is more far-reaching than we think. For this knowledge has become a part of us and goes with us wherever we go.

We have had an opportunity to take a variety of subjects to better ourselves intellectually and to give us the tools with which to build. But book learning isn't the only type of knowledge we've gained. We have also benefitted from the exchange of ideas and opinions expressed by our teachers and fellow classmates. Hearing other ideas besides our own has led us to think or see the world around us in a different prospective, the prospective of others. This communication of thought has helped us understand our fellow human beings and their opinions. And the more we understand others, the better chance we have of succeeding in life or getting along with our foreign neighbors, which may eventually, we pray, lead to world peace.

All this classroom experience and knowledge is nothing if we don't put it to use, if we don't act, if we don't apply it to our future. No matter what we choose to do with our lives after today, we will have all had the same common denominator, Pinconning High School. Here is where we have all been taught certain facts as we have gone through school. But what are these facts worth if they mean nothing to us?

Graduation is like reveille - it awakens us to the world. No longer are we dependent upon teachers to tell us what to do. We are on our own as of today. It's a start of a whole new life. So as we go out into this new world, we're scared a little for what unknown it brings, and we're excited as we look forward to those numerous happy years ahead of us. But if we don't go out there with a gung ho attitude of "I'm somebody in this world, and I'm going to make something of myself," we won't succeed. If you don't give your best, you can't receive the best. Keep this in mind succeeding classes and learn from our mistakes and make Pinconning High School the best school ever.

The present, the past, and the future are all involved as we go through school and life, and let us always keep in mind these words of Henry Wadsworth Longfellow:

Look not mournfully to the past
It comes not back again;
Wisely improve the present
It is thine;
Go forth to meet the shadowy future without fear,
And with a manly heart.

Sheryl -

To a really sweet kid
who's something else.
You're funnier than
hell, but stay that
way. Be good, but
have fun. Friends
Always, Brenda

Sheryl,
As a nutty girl,
you've got a great person-
ality, keep it. We've done
things together I'll always remem-
ber and I hope you won't forget them.
Lots of luck! Take care. Love
"74"

Sheryl,
Words
can never express
all the loneliness we
went through, or all
the happy feelings we've shared
together. You've helped me so much to
be a person instead of an object. I still
have a long ways to go, and I hope it
will be shared with you. You've really been
good to me Sheryl, and I want to repay you for
more, but first you better ask me for anything you
want. Right now, all I can give you is words on white
paper and hope you'll keep them in mind for me. As they
may fade, but never the true meaning. Be good, Sheryl
(and Gerry), and try to help others the way you did
for me.

Love & Peace
Lee

To a real nutty
kid that I've known for a
long time. Don't ever forget all the
good times we had. Like the time when
we got that flat tire, and the time when put
the car in the ditch, and all the other good times
we had. I hope you & Jerry will always
be together and will always be happy. Your
going to have to come over more often, or I won't
have you stand for my wedding (HA HA)

Friends Always!

Sheryl,
To the girl
I really love to spend
my time with. ~~to~~ ^{my} ~~world~~
would have died if you weren't
there. There's something about you
that makes me want to see you all

of life together in the years to come.

Sheryl,
So a great person to know along time. I wait for a sense of the things we had last year on the bus. **Good luck** in the future - especially with Jerry. I hope you make it all the way.

Sheryl,

Different. To a girl who has a personality that is unbelievable. You're some thing else.

We've had some good times, even with our "little trails". It's a good thing your around to hear all my "troubles". Thanks for listening. I guess that's all.

This is really a girl who has a nice sweet person. It's always been a pleasure being with you and talking to you. Give know you for some time and we've always been good friends. I'll always like you and I'll never forget you as a real nice friend. Will always be friends. Good luck in the future and in everything you do. Friends always.
